

A Note From Our Gate Keeping Director, Roberto Solorzano

As part of your three membership volunteer requirements, please consider helping us with gate keeping. The duties of the Gate Keeper include:

- Watch the front gate during pool hours of operation
- Allow only current members in the pool
- Collect money and make change for snacks
- Answer the phone and keep bathrooms cleaned/stocked
- Keep garbage and recycling cans maintained

To schedule a gate keeping shift, please fill out the enclosed **Gate Keeping Form** and return it with your membership payment. Or Email the form information to forest.park.pool@sbcglobal.net or robosolo04@yahoo.com

As we have done in the past, there will be a Gate Keeping Book at the gatekeeper's desk. You may also fill in your preferred gate keeping schedules/shifts in this book at any time. However, we would like to fill up the schedules as soon as possible so that we do not have to call people to gate keep during the season. Once you have signed up for a shift, you are committed to work that shift or find a replacement to work for you. You cannot just cross your name off the shift and hope someone else will fill the position. Failure to find a replacement will subject you to a \$50.00 membership fine. Also, failure to perform a minimum of three volunteer work shifts during the season will subject you to \$50 fine per shift.

A Note From Our Pool, Building & Grounds Directors Allan Sayre, Eric Kohlmeier and Joe Drozda

There will be a **Pool Opening Work Party** on Saturday, March 10th, from 8 a.m. to 12 noon to get the facilities in shape for the season. We will also schedule additional work parties as required throughout the season. These work parties will count towards your 2012 membership volunteer requirement, and you will be able to work while the weather is cool!

Lastly, if you have any special skills, or have a work project that you would like to see done, please contact any Board member to discuss with them. You can also contact **Allan Sayre** at 925-288-0379 (Email: tatms@astound.net) for more info or to sign up for special projects or work days.
