

FOREST PARK 2012 SPRING CLINICS

We are pleased to be able to offer spring stroke clinics at Forest Park Swim Club again! The first day of clinics is March 5th and they will run Mondays thru Thursdays until April 6th.

With anything you do in life, the more you practice, the better you get. This, of course, applies to swimming. The more time you spend in the water, the better swimmer you'll become, period. Spring Clinics are a great way to spend 5 extra weeks improving your abilities in the water. We focus strictly on technique in Spring Clinics.

This year we are offering options of 2, 3 or 4 days a week, Monday through Thursday. There will be no clinics on Fridays. The max number of clinic hours LMYA-County Meet allows between Jan 1st and April 9th to remain eligible for rec. is about 15. If you do 4 days a week at 45 min per day, that's exactly 15 hours.

This will be a *first come/first serve* clinic. In order to provide the swimmers with a small swimmer-to-coach ratio, we have to limit the number of swimmers that can sign up for each session.

Also, unless it's a one-time occurrence, please refrain from coming to an early time one day and a late time the next as we will have different coaches for afternoon than we have for evening. They will be prepared to coach a certain number of kids in each time slot, thus extra swimmers could crowd their groups.

Spring Clinic Rules

- Please pick up after yourselves. Our pool is not open for general use during this time of the year. The more mess is left, the more the coaches have to clean up!
- If other, non-swimming children are present during their siblings' clinic, please monitor them closely. We have a large grass area to play in but the coaches cannot be responsible for what goes on there.
- The baby pool is off limits.
- Absolutely NO running on deck.
- NO horseplay in or out of the pool is allowed.
- Do not enter the water until your coach is ready for you. When your clinic is over, please get out of the water immediately.
- Our coaches are on very tight time schedules. They need to leave as soon as the clinics are over for the day. Please do not be late in picking up your child. If you must leave your child there during his/her clinic, please arrive promptly when it is over to pick them up. Since the coaches are often in the water with our clinics, we cannot be responsible for swimmers who are out of the water unsupervised.
- If you wish to speak with one of the coaches, please do so before or after your group. The coaches need to be able to run their groups free of distraction.
