2. Fill out the enclosed **Gate Keeping Form** and return it with your membership payment or,

A Note From Our Pool Facilities Director, William Booth & Building & Grounds Directors, Mike Viano and Terry Kremin

There will be a **Pool Opening Work Party** on Saturday, March 5th, from 8 a.m. to 12 noon to get the facilities in shape for the season. We will also schedule additional work parties as required throughout the season. These work parties will count towards your 2016 membership volunteer requirement, and you will be able to work while the weather is cool!

Lastly, if you have any special skills, or have a work project that you would like to see done, please contact a Board member to discuss with them.

Send an email to forestparkpool@gmail.com for more info or to sign up for special projects or work days.

Every contribution helps keep the facility running smoothly and safely.

Some ideas for work party duties:

- Sweep the deck, especially under the lanai, by the baby pool or over by the garden wall. This helps keep debris out of the pool.
- Weed the Garden- front, back and garden
- Make a dump run- We often have debris that needs to be taken to the dump. Forest Park will pay the dump fee. We just need labor to get it moved.
- Mow the Lawns
- Paint- we will buy/provide the paint. The buildings often need to be refreshed.
- Repairs to facility or equipment

In addition, we have a couple of larger building projects that need to be completed this year. Please text Terry Kremin at 925-864-3600 for more information.
